save time. make money. create freedom.

**Attention:
Independent business owners, Direct Sales Teams,
Authors, Speakers, On line marketers**

Michael and Debbye Cannon bring a unique combination of leadership skills to help your audience in live and virtual presentations.

As a retired Army officer, Michael has spent years teaching at West Point, speechwriting for the Commander of the largest division in the Department of Defense and planning tactics and strategies in the Gulf War. He now speaks and mentors businesses and individuals to “be all they can be!”

Debbye brings over 25 years of success in two international direct sales companies as well as developing several successful home based businesses. She has trained entrepreneurs to create efficient and effective systems to reach their personal and business goals quickly and easily.
